## Terms and Conditions

Cochlear Americas ("Cochlear") is pleased to provide your clinic or hospital ("Organization") with the Cochlear Drill Kit Rental ("Kit"). This Kit is provided to your Organization, pursuant to your Organization's purchase order, under the following terms and conditions (hereinafter "Agreement"). Your Organization agrees to these terms by its acceptance and use of the Kit.

**1. Definitions.** "Kit" means the surgical drill kit comprised of: drill console; hand piece; motor cable; foot pedal; power supply; and Cochlear instrument case with accompanying surgical instrumentation. Cochlear, in its sole discretion, reserves the right to substitute substantially equivalent parts and components without notice to Organization. "Millstone" means Millstone Medical Outsourcing LLC, the facility that ships drills to Organization on behalf of Cochlear.

**2. License and Use.** Cochlear grants to Organization a limited, revocable, non-transferable, non-exclusive license (without the right to sublicense) to use the Kit (i) solely for internal use by employees and agents of Organization, (ii) at or from Organization's primary place of business and (iii) only in accordance with the terms herein.

**3. Rental Term.** A Kit may be rented for a period of 10 calendar days from the date on the associated packing slip ("Rental Term") and must be returned to and received by Millstone on or before the 10th calendar day from the associated packing slip ("Return Deadline").

**4. Extended Rental Term.** If Organization fails to return the Kit to Millstone on or before the Return Deadline, then Cochlear will invoice Organization equal to the cost of the original Rental Term for each successive 7-calendar day period during which the Kit is not returned, not to exceed the current list price of the Kit ("Extended Rental Term").

***If Millstone does not receive the Kit by the Return Deadline, then Organization is responsible for paying all applicable Extended Rental Term fees, not to exceed the current list price, and returning the Kit. Upon return of the Kit, Organization may choose to apply the Extended Rental Term fees towards the purchase of a new drill.***

**5. Return Instructions.** Organization shall return the Kit to Millstone on or before the Return Deadline by using the pre-printed shipping label provided with the Kit after completing the sterilization process per the instructions provided with the Kit. Organization shall return the Kit to Millstone in its entirety. Cochlear maintains the right to invoice Organization for damaged or missing components. Organization shall not send a Kit directly to Cochlear unless Cochlear issues instructions to do so in writing.

**6. Invoicing and Payment.** Cochlear shall invoice and Organization shall pay the full amount for each Rental Term or Extended Rental Term as applicable. Cochlear shall invoice Organization for the Rental Term upon shipment of the Kit. Cochlear may charge and Organization shall pay for any such loss or theft of Kit, and for any damage to Kit determined by Cochlear not to be the result of normal wear and tear. Damage assessment will be performed by Cochlear. Organization assumes all risk of loss and damages to the Kit while under Organization's control (ordinary wear and tear excepted).

**10. Limitations on Use.** Cochlear reserves the right to refuse to provide additional Kits, in whole or in part, should Cochlear reasonably believe that Organization is withholding payment or is misusing the Kit. In no event shall Cochlear have any liability as to any third parties related to the use of this Kit by Organization.

**14. Audits and Inspections.** Cochlear shall have the right, upon reasonable prior written notice to Organization, to review Organization's relevant records, inspect Organization's facilities and any Kit to ensure compliance with this Agreement or applicable laws.

Should such a delay occur, the Rental Term and Return Deadline may be reasonably extended.
