Guardian Name (if child):	Ship to:					
Gender: Male Female Non-binary Prefer not to say						
Ear Side: Left Right	Shipping instructions:					
Preferred Language: English French						
Additional comments (if needed):						

03 Payment Method

I will pursue the Baha® 6 Max Sound Processor Upgrade or Replacement Kit in partnership with my clinic and/or other funding means.

The self-pay discounted price does not apply.

I will self-pay for the Baha 6 Max Sound Processor Upgrade or Replacement Kit and order directly through Cochlear.

I would like the \$1,200 (CAD) trade-in allowance to apply towards this upgrade order.

Allow one non-retired Baha Sound Processor trade-in for each Baha 6 Max Upgrade Kit. Cannot be applied to the second sound processor option and this trade-in option is not available through Cochlear's Reimbursement & Insurance Services. Trade-in option must be declared at the time of the upgrade order and cannot be added after the upgrade has shipped.

I would like to keep in my existing non-retired processor.

04 Cochlear Baha 6 Max Sound Processor

Includes: User Guide, Cleaning Kit, Safety Line, Batteries (one pack) and an Abutment Cover. Pediatric orders also include a Tamper Resistant Battery Door and Sound Processor Stickers. Select color, solution type and snap coupling below.

Baha 6 Max Sound Processor

 Color:
 Mint
 ■ Black
 ■ Brown
 ■ Copper
 ■ Silver
 ■ Blonde

 Solution Type:
 Baha Connect
 Baha Attract
 Baha Start (Softband or SoundArc™)

Snap Coupling

While the LowPro™ snap coupling may be sufficient for most patients, consider the 2mm extended snap coupling if additional clearance is required to enable optimal patient fitting and outcomes. Cochlear recommends the 2mm extended snap coupling for patients who received their Baha Connect System prior to 2014. If in doubt, a demonstration or evaluation with both options may assist with a determination.

LowPro[™] Snap Coupling 2mm Extended Snap Coupling

Baha Connect Orders Only

Abutment Type: Baha Implant Other (i.e. Oticon Medical Ponto™ implant system)

Baha Attract Orders Only

Attract upgrade orders also include: External Magnet, Magnet Color Cover (if applicable) and Cochlear SoftWear™ Pads (pack of 24).

Magnet Strength: 1M 2M 3M 4M 5M 6M Not sure. Please use current magnet strength on file.

Magnet Color Cover (External magnet is black): Brown Copper Silver Blonde

Baha Start Orders Only

All non-surgical orders also include: Softband or SoundArc and Baha SoftWear™ Pads (unilateral: pack of six; bilateral: two packs of six). Select either the Softband or SoundArc and appropriate option(s) below.
