RESET

Policy:

Returns: Unopened Bone Anchored Solution (BAS) system components can be returned within 30 days of the shipment date. Baha processor returns are only accepted as part of a full system return. Open BAS system components cannot be returned.

Exchanges: Unopened BAS System components can be exchanged for the same generation technology within 90 days of the shipment date or fitting date for sound processors. Open Baha sound processors can be exchanged for the same generation technology within 90 days of fitting date. Exchanges are not accepted on any other open components.

* New patients, at the time of their initial order have the option to purchase a second processor per side, identical to the original sound processor at a discount. Two per bilateral order, this is equivalent to a "third and fourth" processor.
